Topics to be covered during the eight sessions include:

- Acknowledging and understanding grief
- Expressing and accepting feelings
- Changing of roles
- Coping and stress
- Developing supportive relationships

Group size is limited.

Registration for this group will close September 18 or earlier if filled. We look forward to seeing you.

This is a free service offered by the UC Davis Hospice Program and UC Davis Children's Hospital, along with a generous grant from Children's Miracle Network.

We also provide a general adult grief support group four times a year, and a group for parents who have lost a pediatric age child – starting in January. There are additional groups in the community as well.
